

To Whom it May Concern,

Hello on behalf of Your Friends and Neighbors, INC! We are contacting you to inquire about qualified students or professionals who are in the social services fields looking for competitive employment opportunities in your area.

Your Friends and Neighbors is a family-operated, value driven service organization that values establishing intimate personal relationships with persons served and their families. We have successfully established programs for persons with all levels of mental retardation, mental illness, and behavioral disorders.

Our corporate offices are based in Fort Wayne, IN and we also have group homes and offices located in the South Bend and Valparaiso areas. YF&N is currently expanding and is looking for first line management personnel on a one to two year employment basis. We are looking for someone with 1 to 2 years of supervisory experience and a background in social services administration. We are able to offer a competitive salary rate for any one wishing to join our team.

If you are interested please visit our website at www.yfn.com, and then contact Blair Brown to set up an appointment to further discuss this employment opportunity. We look forward to hearing from you!
